

**UNION FORK BAKEWELL UTILITY DISTRICT**  
**Application for Residential Service**

This Application is not an agreement to furnish water service. This Application imposes no obligation upon the Utility. If the application is accepted by the Utility, the separate "Water Service Contract" will constitute an Agreement between the Utility and the Applicant/Customer with respect to the topic of water service.

It is the policy of the Utility to require the applicant seeking service at the address to provide legal proof of ownership of the property or a rental agreement between the Customer and property owner. The Customer seeking service will be the responsible party residing at or occupying the service address. Anyone seeking service who is acting on the applicant's behalf may be required by the Utility to provide the applicant's written verification as well as applicant's identification papers, as required below.

Applicant agrees to be bound by the separate Water Services Contract dated \_\_\_\_\_ if this Applicant is accepted by the Utility.
